**About this "Hope & Health Campaign"**

Hope & Health Campaign is a Morning Star fund-raising opportunity to raise \$5,000.00 in order to support the work of the medical clinic in the Congo. The raised money will serve to buy necessary building materials in order to make approximately 2,508 bricks, build fencing with two secured gates for the security and safety of medical staff and patients, build an additional inpatient care ward, and expand the reception room.

**Campaign Goal: \$5,000.00**  
**Raised amount: \$2,063.00** (41% of the campaign goal)  
**To still be raised: \$2,937.00**

**Goal #1: Make 2,508 Bricks**

Status: **Achieved**

Item	Unit price	Quantity	Total
Bag of cement	\$16.00	66	\$1,056.00
Barrel of sand	\$4.50	44	\$198.00
<b>Labor cost:</b>			<b>\$264.00</b>
<b>Goal #1 total Cost:</b>			<b><u>\$1,518.00</u></b>

**Goal #2: Build fencing, reception room and inpatient care ward**

Status: **27.43% of the goal**

Item	Unit price	Quantity	Total
Bag of cement	\$16.00	44	\$704.00
Barrel of sand	\$4.50	76	\$342.00
Barrel of stone	\$3.00	20	\$60.00
Steel bar	\$8.00	25	\$200.00
Board	\$8.00	20	\$160.00
Nails (10 Kg)	\$2.50	10	\$25.00
<b>Labor cost:</b>			<b>\$496.00</b>
<b>Goal #2 total cost:</b>			<b><u>\$1,987.00</u></b>

**Goal #3: Install 2 secured gates**

Status: **Pending**

Item	Unit price	Quantity	Total
Big secured gate	\$450.00	1	\$450.00
Small secured gate	\$200.00	1	\$200.00
<b>Labor cost:</b>			<b>\$50.00</b>
<b>Goal #3 total cost:</b>			<b><u>\$700.00</u></b>

**Goal #4: Install 4 doors & 10 windows**

Status: **Pending**

Item	Unit price	Quantity	Total
Windows	\$35.00	10	\$350.00
Door	\$75.00	4	\$300.00
Others	-	-	\$80.00
<b>Labor cost:</b>			<b>\$65.00</b>
<b>Goal #4 total cost:</b>			<b><u>\$715.00</u></b>

**FACTS:**

- 1 bag of cement can produce 38 bricks
- 3 bags of cement require 2 barrels of sand
- Labor cost is \$4.00 per bag of cement

**SOME MATH PROBLEMS FOR FUN**

**QUESTIONS:**

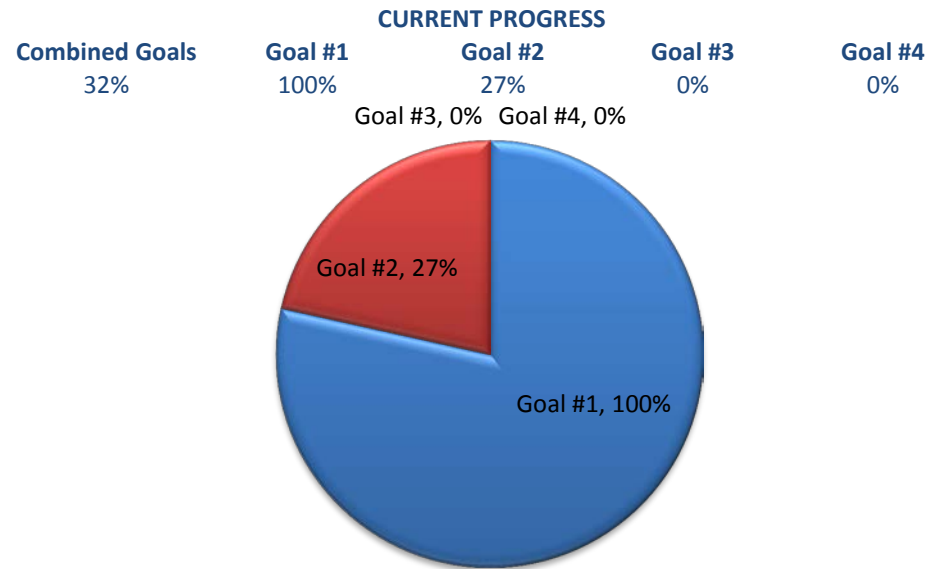

- How many barrels of sand does one need for 15 bags of cement?
- How many bricks can be produced?
- What will be the labor cost?

**ANSWERS**

- 10 barrels of sand (did you guess a different number?)
- 570 bricks will be made (close to your guess?)
- \$60 will be the labor cost
